To : 041400 January 1945
320th Infantry Regiment
041400 January 1945

Map Referenced: E. France & Belgium, 1:50,000, sheets 121, 122 .

1. Enemy situation at end of period:

- a. Enemy frontlines: see overlay
- b. Defensive organization: see overlay
- c. Units in contact: 2nd Bn 13th Para Reg, 1st Bn 15th Para Reg
5th Para Div.

<u>Unit</u>	<u>Location</u>	<u>Means</u>	<u>Date</u>
<u>13th Para Reg(5th Para Div)</u> <u>2,6,7,8,9,10,12,14,15 Cos</u>	vic P 6149	PW	04 Jan
<u>14th Para Reg(5th Para Div)</u> <u>10,14 Cos</u>	vic P 6149	PW	04 Jan
<u>15th Para Reg(5th Para Div)</u> <u>9 Co</u>	vic P 6149	PW	04 Jan

2. Enemy operations during period:

- a. General summary:
After having their initial defensive positions overrun by our troops, the enemy continued to defend with infantry, small arms, machine gun, mortar fire, supported by moderate artillery from new positions further North(See overlay).
- b. Operations of component elements:
 - 1. Artillery: Moderate artillery fell in our sector during period. Concentrations reported at 613491, 618492, 620454 .
 - 2. Aviation: 2 Unidentified planes were reported over our sector at 2300 and 1 more at 0135. No bombing or strafing were reported in our sector during the period.
 - 3. Armor: Our frontline units reported receiving what they believed was tank or self-propelled artillery fire during the period. No armor was observed by our units.
 - 4. Infantry: Continued strong defense using machine gun, small arms and mortar fire from new positions as shown on overlay. Initial infantry positions as shown on yesterday's overlay vic Fuhrmann farm were overrun by our troops, and PWs state 14th Reg state that 2 platoons from the 10th Co were sent as reinforcements for 2nd Bn 13th Reg last night. PWs also report that 2 platoons of 2nd Co, 13th Reg were also sent as reinforcements for the 2nd Bn at 0500 this morning.

DECLASSIFIED
Authority: NND 735617

5. Engineers: 20 PWs identified 15th Co (Engineer Co) 13th Reg state their Co was employed as a rifle Co and was attached to the 2nd Bn. They hadn't any knowledge of mine laying or other engineer work carried on in their sector.

3. Miscellaneous:

- a. PWs taken during period: 76 .
- ab. Estimate number of enemy casualties: 150 wounded, 100 dead.
- c. Enemy's morale: Good.

4. Enemy capabilities:

Unchanged.

HEADQUARTERS 320TH INFANTRY
APO 35 U S ARMY

24 January 1945

SUBJECT: S-2 Summary of enemy situation in our regimental sector; and enemy activity during the past 24 hour period.

Maps: France, 1/25,000, sheets 37/13, 5&6 and 7&8, 37/14, 1&2 and 3&4

1. Enemy situation at end of period

- a) Enemy frontlines: See overlay
- b) Units in contact: 2nd Bn, 457th VG Regt; 2nd Bn, 477th VG Regt; both of 257th VG Division. Elements of the 12th SS Arm'd Div were also shown on the extreme right of our sector; however, this unit has not been identified during the past 24 hour period.
- c) Defensive organization: Enemy defends dug in positions as shown on overlay. For minefields and wire, see overlay.

2) Enemy operations during period

- a) General Summary: The enemy continued to improve defenses in our sector during the period.
- b) Operations of component elements:
 - 1) Artillery - Sporadic artillery fire fell in regimental sector during the period.
 - 2) Infantry - Enemy infantry activity was confined to rather active patrolling and improvement of defensive positions, during the past 24 hours. Forward elements reported they had received light mortar fire.
 - 3) Armor - 2 enemy tanks were reported vic 772395 at 0930 23 January. No other armor was reported during the period.
 - 4) Aircraft - None reported.

3) Miscellaneous

- a) PWs taken during period: 6, vic 766399 and 767390.
- b) Enemy strength according to PW report: 5th Co, 477th VG Regt: approx 75 men; 6th Co, 477th VG Regt: approx 110 men; 7th Co, 457th VG Regt: approx 13 men; 6th Co, 457th VG Regt: approx 20 men; 5th Co, 457th VG Regt: approx 15 men.
- c) Enemy morale: PWs of 2nd Bn, 457th VG Regt, carried safe conduct leaflets and expressed opinion that the majority of the men in the Bn were looking for an opportunity to surrender. Additional Safe Conduct leaflets were fired across our regimental front by the 274th Regt today.

S E C R E T

DECLASSIFIED
Authority: NND 735617

4) Enemy capabilities:

- a) Continue to improve defensive positions and defend from present frontlines with rather active patrolling.
- b) Attack our positions using their present frontlines as the line of departure.

SIDNEY SILVERMAN
1st Lt., Inf.

251400 January 1945

Maps: France, 1/5,000. Sheets 37/13, 5&6 and 7&8, 37/14, 1&2, 3&4

1. Enemy situation at end of period

- a) Enemy frontlines: See overlay
- b) Units in contact: See overlay
- c) Defensive organization: According to information obtained by patrols of the 274th Inf Regt, enemy occupies dug in defensive positions as shown on overlay.

2. Enemy operations during period

aa) General Summary: Light scattered mortar fire fell in our forward areas during the morning. No enemy armor or aircraft were reported in our sector. No enemy patrols were reported in our sector during the period.

b) Operations of component elements:

- 1) Engineers - Known enemy minefield and wire, as shown by 274th Inf Regt: See overlay

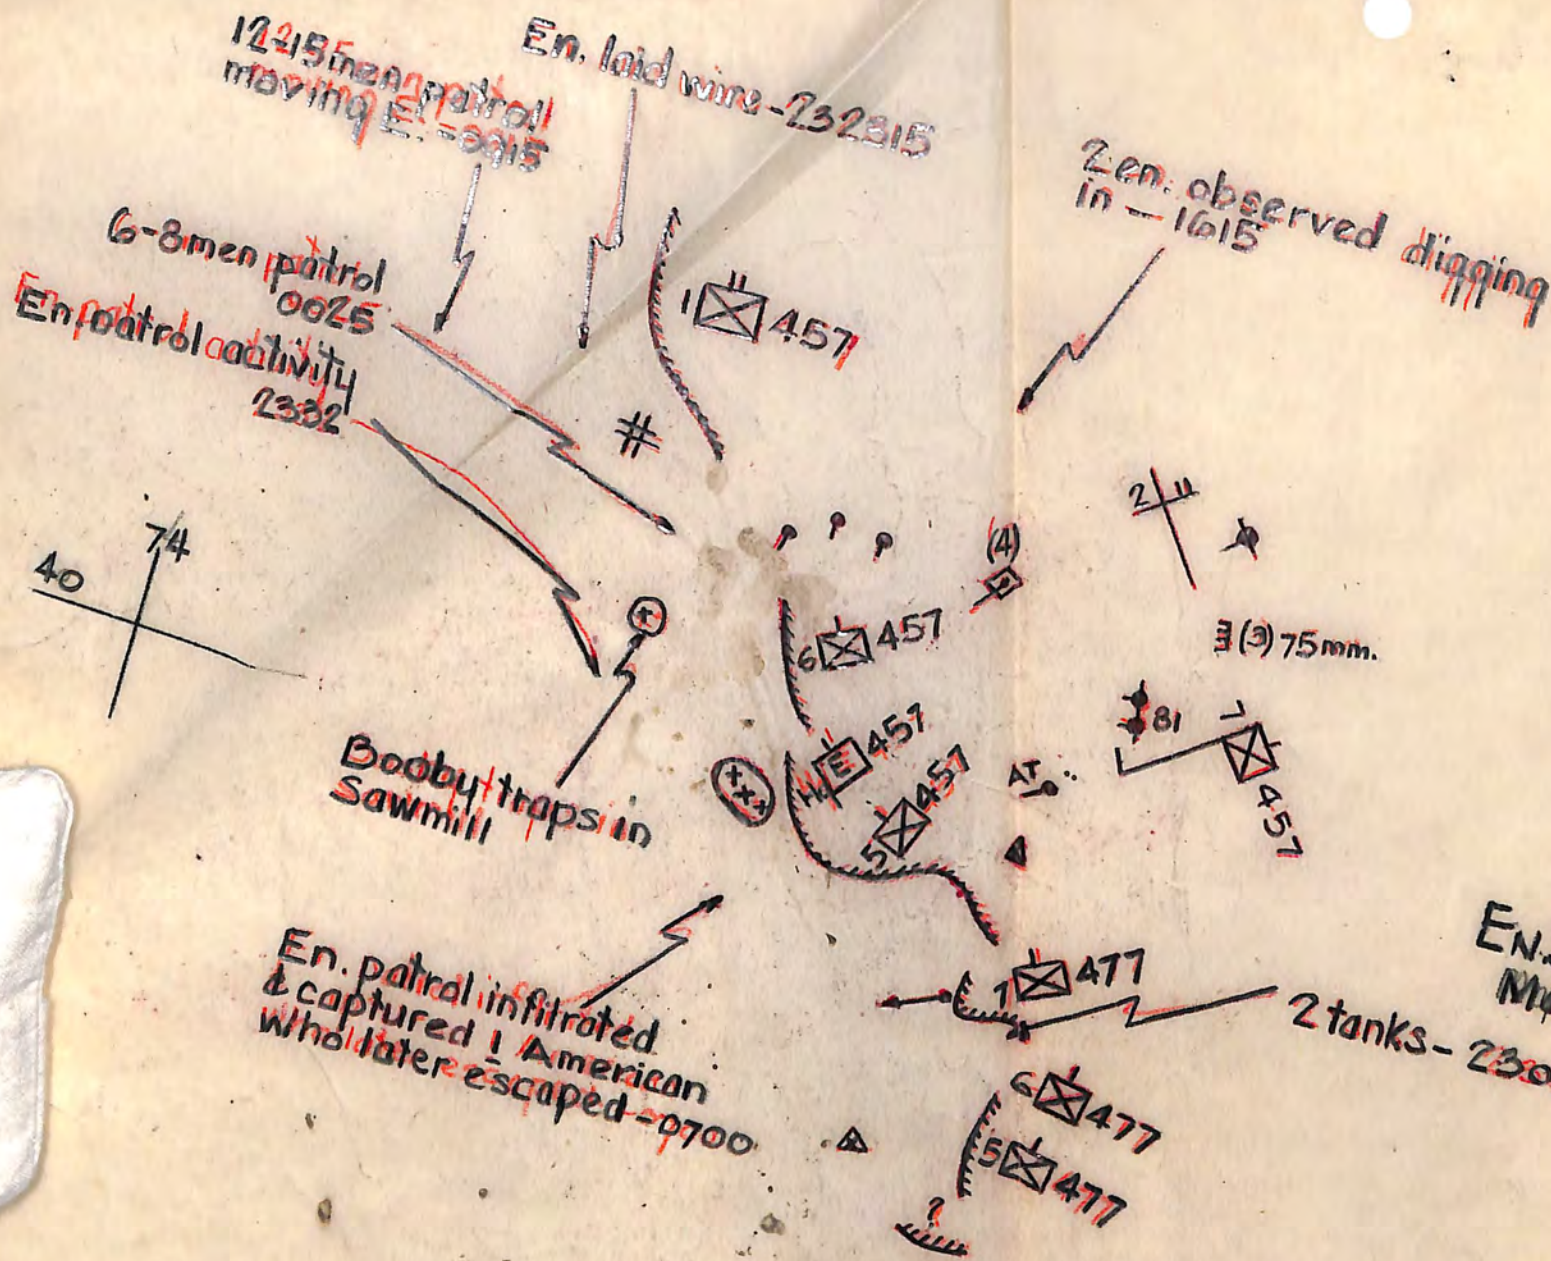

3. Miscellaneous

- a) For information obtained from PWs taken by 274th Inf Regt yesterday (24 Jan) afternoon see attached PW reports.
- b) See attached patrol plan for 25 January and 26 January.

4. Enemy capabilities

- a) Continue to improve defensive positions and probe our defenses with active reconnaissance and combat patrols.
- b) Carry out small scale attacks on our front line positions with limited objectives.
- c) Reinforce their present units with additional strength for contemplated future attack in our sector.

To Red Bn:

Each front line company will send out one reconnaissance patrol 25 January 2030 to 2400 and 26 January 0830 to 1230.

To Blue Bn:

Each front line company will send out one reconnaissance patrol 26 January 0001 to 0400 and 26 January 1330 to 1730.

To Red and Blue Bns:

Each patrol will reconnoiter to its own company direct front. Patrol routes and coordination to be planned by Bn S-2 in conjunction with Company commanders. Patrol to advance to accomplishment of mission or to a limit of approximately 1500 yards from our own front lines.

Patrol reports to include

- a) Time of departure
- b) Where patrol went (by coordinates)
(Route taken by patrol may be submitted through M/C by overlay)
- c) Observation(place and time)
- d) Time of return
- e) Efforts will be made to obtain locations of enemy positions with sufficient accuracy to enable us to fire artillery and mortars on these targets.

EEI for patrolling 25 Jan 45 :

- a. Exact location and type of enemy positions to your front so that definite enemy front lines and gaps can be determined.
- b. Location of wire entanglements
- c. Indication of work to improve defenses, pounding, hammering, etc.
- d. The extent to which enemy is using flares.
- e. Sound of vehicular movement ~~xxxxxxxxxxxxxxxx~~ to determine supply routes and time of supply.
- f. Presence and direction of movement of tracked vehicles.
- g. Recent occupation of areas or routes used by enemy patrols determined by snow tracks.
