Howdy, folks,
Yesterday, brought two letters from you; a regular mail dated Mar. 19th, and a V-mail, dated the 22nd, glad to hear from you. The same mail, also brought an air-mail letter from Alice, posted New Year's Day, and one from the two Andersons, of March 22nd. - Regarding your package, to me, except for the powder, everything was in good condition. The fudge was as fresh as when it was mailed, but it tasted mighty good, and arrived at a time when it did the most good. The army rations, are good. But a steady diet of anything, gets pretty treme. - Have sent numerous requests, for 120 film, as there are a lot of things to take pictures of, over here. Still have a couple exposures of regular film left, and the roll of colored film, but am hoarding them, for something extra special, in case it turns up. - My little black book, informs me that my favorite niece, has her second birthday, coming up very shortly. I'll bet I'm sorry I have to miss this one, too, but that I'll be there for the next one. - That's about all for this time, I guess, so I will close, hoping to hear from you, again soon,
Remain,

Reserv,
Johnny
