BULLETIN NO. 8

1. Intelligence Exploitation of German Personnel.

a. Field Information Agency, Technical (FIAT) has been established by higher Headquarters and will control and coordinate the intelligence exploitation of German personnel of interest to Scientific, Technological, Industrial, Economic and Financial agencies. This will include:-

- (1) Exercising Intelligence Control over the detention camp known as DUSTBIN. (See Item 2).
- (2) Controlling the movement of all German personnel in categories described above who are required to be moved for intelligence exploitation whether to DUSTBIN or elsewhere.
- (3) Operating Intelligence and Records sections covering German personalities likely to be of interest to Scientific, Technological, Industrial, Economic and Financial agencies.
- (4) Coordinating the collection and dissemination of the results of Intelligence exploitations of persons in the categories described above which are carried out by various agencies.
- (5) Clearing with Counter-Intelligence that personnel are not required for CI purposes.

b. In order that the above responsibilities may be carried out, all agencies will:-

- (1) Apply to FIAT, through AC of S, G-2, this Headquarters, for clearance whenever they wish to move personnel in the categories described in paragraph a. above for intelligence exploitation whether to DUSTBIN or elsewhere. Such personnel will not be moved without FIAT clearances.
- (2) Insure that a copy of all communications, letters, reports, etc., pertaining to the intelligence exploitation of German personnel in that category described in paragraph a. above be sent to FIAT.

c. All agencies now holding German personnel who fall within the categories described in paragraph a. above, will forthwith communicate full details concerning such personnel to FIAT, through AC of S, G-2, this Headquarters, who will take the necessary action for transferring them to DUSTBIN or making any other dispositions as may be necessary.

d. The provisions of this letter do not alter existing directives pertaining to the arrest, detention, movement and exploitation of German prisoners of war or persons of interest to Counter-Intelligence.

2. Special Detention Camp DUSTBIN.

This camp is at present located at KRANSBERG, FRANKFURT area.

The purpose of the camp is to provide a center where a limited number of enemy personnel of interest to Scientific, Technological, Industrial, Economic and Financial agencies may be detained while they are being exploited.

Agencies who wish to have individuals moved to DUSTBIN for exploitation must apply to the Field Information Agency, Technical, through AC of S, G-2, this Headquarters, giving as many of the following particulars as possible:-

- a. Full and exact name, including Christian names, of the man required.
- b. His age.
- c. His rank or title (e.g. Professor, Dr.)
- d. His appointment, or the office or institution with which he is connected.
- e. His home and business addresses.
- f. Any other information such as past record, SS membership, etc.
- g. A general statement of the reasons for the exploitation.
- h. The names of the personnel who will be exploiting and the address at which they can be contacted.
- i. Particulars of any other agencies concerned in the proposed exploitation.

The agency initiating the request must be prepared to send an officer to escort the prisoner from his present location to DUSTBIN and to provide an escort to return him there when the exploitation is completed.

Intelligence agencies who wish to interrogate personnel who are detained in DUSTBIN must apply to FIAT who will issue a pass giving authority to interrogate personnel. No agency will be admitted without such a pass. Agencies should provide their own stenographic assistance and German speaking interrogators, since only a limited number of interpreters are available at this camp.

3. Traitors of American Citizenship.

The War Crimes Branch of the Judge Advocate's Office of higher Headquarters desires that the following information be disseminated so that all interested agencies may cooperate in securing reports on traitors of American citizenship for the Department of Justice.

The following listed persons acted as enemy propaganda broadcasters:

NEWS HIGHLIGHTS 10 JULY 1945

PACIFIC

More than 1,000 American carrier aircraft have attacked airfields around TOKYO. The attack was reported still in full swing after eight hours. It achieved complete surprise. The task force included 4 big carriers, the super-battleship, Iowa, 2 heavy battleships, 4 cruisers and 14 destroyers. Earlier 550 superforts dropped 3,500 tons of bombs on 5 Japanese towns. Thirty-four Japanese towns and cities have now been blitzed.

American aircraft from OKINAWA have already sunk some 160 ships and damaged nearly 200. Heavy and medium bombers have stepped up the air onslaught on FORMOSA. (See Map - No. 1)

Chinese troops have recaptured an American airfield in SOUTH CHINA and a strategic pass on the INDO-CHINA frontier.

Netherlands East Indies troops have landed at 2 new points on BORNEO N of BALIKAPAPAN BAY.

GERMANY

The equipment and formulas of the German Farben Industrie are to be used against JAPAN. Products only suitable for the Wehrmacht will be destroyed.

BERLIN is to be administered by a council of the British, American, Russian and French Military Governors to be called the Kommandantura. It will meet tomorrow for the first time.

UNITED STATES

President Truman has left Virginia by sea for the Big Three meeting accompanied by many advisors.

RUSSIA

Generalissimo Stalin has had a third meeting with the Chinese Premier Dr. Soong.
