REPORT 2081

1 PW from 1st Co, 77 Regt, 26 VG Div.

PW deserted from his unit this morning and marched to KALBORN where he surrendered to our 3d Bn at 1000.

PW belongs to the 3d Platoon, consisting of 40 men. They hold 5 strong points along OUR river, with the center at 850677. 3d Platoon has 5 MG, 5 small bazookas and rifles.

PW states that a new unidentified unit of 25 men arrived early this morning to replace 3d Platoon which according to rumor was to be sent N as replacement. This new unit was in white camouflage uniforms, had a great number of small bazookas (almost every man), and quite a few MG (precise number unknown).

PW states that there are mortars on the hill E of his position. Exact location unknown. PW came here with 907 March Bn, consisting of 400 men. They left LOBAU (SAXONY) Jan 13, by train, arrived SIEBURG Jan 17, went on foot to EUSKIRCHEN, by car to ARZFELD, on foot via DALEIDEN to REIPELDINGEN 887659 where they were distributed to various units of 26 Div. PW thinks that the 1st Co has some 150 men.
