

INTERROGATION REPORT
I34 INF REGT IPW60

8 April 45

I PW of 5 btry 243 AA Bn 4 AA Div.

40 men of this btry are now attached to a para unit and committed as inf in the defense of the S bank of the Emscher canal between RR bridge at 538271 and road bridge at 54702755. Between these two points there are, according to PW, 11 men at day time, 14 at night. They have four mg, 3 of which are at the following points: 53852705, 54052715 (in small skag shed), 54302729.

At 54052715 there is still intact and not yet prepared to be blown up a small feet bridge that might be passable for small cars.

Part of the 40 men live in houses at 543267, the other half at 54752675. The fourth house (coming from S) on the E side of street between Josephinenstr and Im Sundern is CP. CO is new and unknown to PW.
